Aug 12 On the Fly

Aug 13 1,2,3...Look At Me!

Led by Tiny Wonders instructor Kim Truxel, Wee Wonders is a stimulating gathering for 2-3 year olds. Planned activities will provide opportunities for creative movement, language development nature exploration, and the five senses. Must pre-register!

Ages 4-5

Babes in the Woods

Time: 10:00am-1:00pm

Fee: \$25/members or \$30/non-members per date

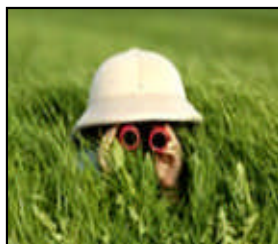

July 15- Feathered Friends

July 17- Rockin Reptiles

August 5- Water Wonderland

August 7- Animals: Before and After

Preschoolers will enjoy a day exploring nature through hands-on activities such as hikes, games, stories, and crafts. Must pre-register!

Ages 7-12

Paddle, Hike, and Swim One Day Camp

Dates: Fridays, July 5, July 19 or August 9

Time: 9:00am- 3:00pm

Fee: \$50/member or \$75/non-member per date

Can't commit to a week of camp?

Enjoy this one day camp to experience some of the highlights of our summer camps. We will paddle Deer Creek, hike the trails, explore the park, and swim in the creek! Must pre-register!

Ages 9-11

Water, Water, Everywhere

Dates: Monday, July 8 – Friday, July 12

Time: 9:00am-3:00pm

Fee: \$160/member or \$175/non-member

Ever wonder where water comes from? Or what lives in the water? Explore and discover the water critters of Eden Mill's wetland and Deer Creek. We will play water games, conduct water experiments, go on hikes, and create crafts. We will end each day with swimming in the creek and end our week with a canoe ride on Deer Creek! Must pre-register!

Ages 6-8

All About Trees

Dates: Monday, June 17– Friday, June 21

Time: 9:00am-3:00pm

Fee: \$160/member or \$175/non-member

Can you tell the difference between a maple tree and a black walnut? You'll learn to identify evergreen and deciduous trees. We will study the trees in the park and learn how to determine the age of a tree. Activities include hikes, field studies, games and many more activities. We will end each day with swimming in the creek and end our week with a canoe ride on Deer Creek! Must pre-register!

Investigative Explorers

Dates: Monday, June 24– Friday, June 28

Time: 9:00am-3:00pm

Fee: \$160/member or \$175/non-member

Enjoy the week exploring Eden Mill to determine what critters call Eden Mill home. We will investigate life in the wetlands, creek and on the trail! Activities include hikes, field studies, games and many more activities. We will end each day with swimming in the creek and end our week with a canoe ride on Deer Creek! Must pre-register!

Row, Row, Row Your Boat

Dates: Monday, July 29 – Friday, August 2

Time: 9:00am-3:00pm

Fee: \$160/member or \$175/non-member

Join us as we explore all the water habitats around Eden Mill. We will discover where water comes from, and why it is so important to us! Activities include hikes, field studies, games and many more activities. We will end each day with swimming in the creek and end our week with a canoe ride on Deer Creek! Must pre-register!

Seasonal Snacks

Dates: Monday, August 19 – Friday, August 23

Time: 9:00am-3:00pm

Fee: \$160/member or \$175/non-member

Seasons come and go, but with many changes. Let's discover how animals adapt to the seasons and what food they have available to munch on. We'll also talk about our favorite seasonal snacks and enjoy them on a summer day! Let's also create snacks from some plants found at the park! Activities include hikes, field studies, games and many more activities. We will end each day with swimming in the creek and end our week with a canoe ride on Deer Creek! Must pre-register!
